LOCK STOCK AND BARREL

Restaurant & Bar

A homegrown Solutions Leisure Group, multi-award-winning concept, Lock, Stock & Barrel is the Dubai expat's best mate. A place to sit back, unwind and relax after a long week, it is your everyday bar, that isn't your everyday bar.

Inspired by the trend of live music venues boasting casual vibes and vibrant atmospheres, seen as the buzzing hotspots of trendy, cosmopolitan cities across the world, Lock Stock & Barrel is your versatile local. With its industrial American design, rustic finishes and vintage accents, it's your go-to place for an after-work drink that leads to a re-scheduled morning meeting and late lunch catch up. It features all the live sporting action across the big screens, topped off with finger-lickin' comfort food and a cold one. Grab your mates for a casual game of pool followed by some live music on stage, or hit up the fun-fueled Friday brunch with the gang.

Flagship location Lock, Stock & Barrel Barsha Heights has fast become a neighborhood go-to. From its opening in 2016, it has quickly established a loyal following from locals and surrounding suburbs. Lock, Stock & Barrel JBR opened its doors in September 2017, and at almost three times the size, is Dubai's ultimate party bar. With a dedicated, bustling food truck inspired, street-food style bistro on the second floor, live music, DJs, all the sporting action, pool tables, three bar areas, and a secret garden, it doesn't get any bigger or better than this!
